- Vander Stichelen to report to Tao Liu, Chief Executive Officer
- Vander Stichelen to work closely with JSS global customer base
- Vander Stichelen to remain as Regional President EMEA until a replacement is identified

Auburn Hills, Mich. – Joyson Safety Systems (JSS), a global leader in mobility safety, has named Uwe Vander Stichelen President and Chief Sales Officer of JSS. Vander Stichelen will report directly to Tao Liu who will remain as CEO.

“We’re extremely pleased to appoint Uwe to the role of President and CSO, he is an incredible talent and has been an intricate player on the JSS team” said Tao Liu, CEO of JSS. “Having Uwe in this position will allow me more time to focus on my duties as CEO to grow the company’s sustainable long-term success as a global leader in mobility safety.”

In his new role, Vander Stichelen will lead JSS’ path to profitable growth with the company’s global customers as it continues to rapidly improve its financial performance and efficiency. He will also maintain his role as Regional President EMEA until a replacement is identified.

“As part of the OneJoyson team, I’m looking forward to my new role as President and Chief Sales Officer,” said Vander Stichelen. “I strongly believe I can do my part to continue what Tao has started to grow JSS’ business success and to support our team as they create life-saving automotive safety technology.”
